

Field review

Inspection report

Verified export fixture

Raw and refined values are labelled separately.

Findings

Record 0: raw observation. Refined observation remains alongside the original evidence.

Record 1: raw observation. Refined observation remains alongside the original evidence.

Record 2: raw observation. Refined observation remains alongside the original evidence.

Record 3: raw observation. Refined observation remains alongside the original evidence.

Record 4: raw observation. Refined observation remains alongside the original evidence.

Record 5: raw observation. Refined observation remains alongside the original evidence.

Record 6: raw observation. Refined observation remains alongside the original evidence.

Record 7: raw observation. Refined observation remains alongside the original evidence.

Record 8: raw observation. Refined observation remains alongside the original evidence.

Record 9: raw observation. Refined observation remains alongside the original evidence.

Record 10: raw observation. Refined observation remains alongside the original evidence.

Record 11: raw observation. Refined observation remains alongside the original evidence.

Record 12: raw observation. Refined observation remains alongside the original

evidence.

Record 13: raw observation. Refined observation remains alongside the original evidence.

Record 14: raw observation. Refined observation remains alongside the original evidence.

Record 15: raw observation. Refined observation remains alongside the original evidence.

Record 16: raw observation. Refined observation remains alongside the original evidence.

Record 17: raw observation. Refined observation remains alongside the original evidence.

Record 18: raw observation. Refined observation remains alongside the original evidence.

Record 19: raw observation. Refined observation remains alongside the original evidence.

Record 20: raw observation. Refined observation remains alongside the original evidence.

Record 21: raw observation. Refined observation remains alongside the original evidence.

Record 22: raw observation. Refined observation remains alongside the original evidence.

Record 23: raw observation. Refined observation remains alongside the original evidence.

Record 24: raw observation. Refined observation remains alongside the original evidence.

Record 25: raw observation. Refined observation remains alongside the original evidence.

Record 26: raw observation. Refined observation remains alongside the original evidence.

Record 27: raw observation. Refined observation remains alongside the original evidence.

Record 28: raw observation. Refined observation remains alongside the original evidence.

Record 29: raw observation. Refined observation remains alongside the original evidence.

Record 30: raw observation. Refined observation remains alongside the original evidence.

Record 31: raw observation. Refined observation remains alongside the original evidence.

Record 32: raw observation. Refined observation remains alongside the original evidence.

Record 33: raw observation. Refined observation remains alongside the original evidence.

Record 34: raw observation. Refined observation remains alongside the original evidence.

Record 35: raw observation. Refined observation remains alongside the original evidence.

Record 36: raw observation. Refined observation remains alongside the original evidence.

Record 37: raw observation. Refined observation remains alongside the original evidence.

Record 38: raw observation. Refined observation remains alongside the original evidence.

Record 39: raw observation. Refined observation remains alongside the original

evidence.

Record 40: raw observation. Refined observation remains alongside the original evidence.

Record 41: raw observation. Refined observation remains alongside the original evidence.

Record 42: raw observation. Refined observation remains alongside the original evidence.

Record 43: raw observation. Refined observation remains alongside the original evidence.

Record 44: raw observation. Refined observation remains alongside the original evidence.

Record 45: raw observation. Refined observation remains alongside the original evidence.

Record 46: raw observation. Refined observation remains alongside the original evidence.

Record 47: raw observation. Refined observation remains alongside the original evidence.

Record 48: raw observation. Refined observation remains alongside the original evidence.

Record 49: raw observation. Refined observation remains alongside the original evidence.

Record 50: raw observation. Refined observation remains alongside the original evidence.

Record 51: raw observation. Refined observation remains alongside the original evidence.

Record 52: raw observation. Refined observation remains alongside the original evidence.

Record 53: raw observation. Refined observation remains alongside the original evidence.

Record 54: raw observation. Refined observation remains alongside the original evidence.

Record 55: raw observation. Refined observation remains alongside the original evidence.

Record 56: raw observation. Refined observation remains alongside the original evidence.

Record 57: raw observation. Refined observation remains alongside the original evidence.

Record 58: raw observation. Refined observation remains alongside the original evidence.

Record 59: raw observation. Refined observation remains alongside the original evidence.

Record 60: raw observation. Refined observation remains alongside the original evidence.

Record 61: raw observation. Refined observation remains alongside the original evidence.

Record 62: raw observation. Refined observation remains alongside the original evidence.

Record 63: raw observation. Refined observation remains alongside the original evidence.

Record 64: raw observation. Refined observation remains alongside the original evidence.

Record 65: raw observation. Refined observation remains alongside the original evidence.

Record 66: raw observation. Refined observation remains alongside the original

evidence.

Record 67: raw observation. Refined observation remains alongside the original evidence.

Record 68: raw observation. Refined observation remains alongside the original evidence.

Record 69: raw observation. Refined observation remains alongside the original evidence.

Record 70: raw observation. Refined observation remains alongside the original evidence.

Record 71: raw observation. Refined observation remains alongside the original evidence.

Record 72: raw observation. Refined observation remains alongside the original evidence.

Record 73: raw observation. Refined observation remains alongside the original evidence.

Record 74: raw observation. Refined observation remains alongside the original evidence.

Record 75: raw observation. Refined observation remains alongside the original evidence.

Record 76: raw observation. Refined observation remains alongside the original evidence.

Record 77: raw observation. Refined observation remains alongside the original evidence.

Record 78: raw observation. Refined observation remains alongside the original evidence.

Record 79: raw observation. Refined observation remains alongside the original evidence.

Record 80: raw observation. Refined observation remains alongside the original evidence.

Record 81: raw observation. Refined observation remains alongside the original evidence.

Record 82: raw observation. Refined observation remains alongside the original evidence.

Record 83: raw observation. Refined observation remains alongside the original evidence.

Record 84: raw observation. Refined observation remains alongside the original evidence.

Record 85: raw observation. Refined observation remains alongside the original evidence.

Record 86: raw observation. Refined observation remains alongside the original evidence.

Record 87: raw observation. Refined observation remains alongside the original evidence.

Record 88: raw observation. Refined observation remains alongside the original evidence.

Record 89: raw observation. Refined observation remains alongside the original evidence.

Record 90: raw observation. Refined observation remains alongside the original evidence.

Record 91: raw observation. Refined observation remains alongside the original evidence.

Record 92: raw observation. Refined observation remains alongside the original evidence.

Record 93: raw observation. Refined observation remains alongside the original

evidence.

Record 94: raw observation. Refined observation remains alongside the original evidence.

Record 95: raw observation. Refined observation remains alongside the original evidence.

Record 96: raw observation. Refined observation remains alongside the original evidence.

Record 97: raw observation. Refined observation remains alongside the original evidence.

Record 98: raw observation. Refined observation remains alongside the original evidence.

Record 99: raw observation. Refined observation remains alongside the original evidence.

Record 100: raw observation. Refined observation remains alongside the original evidence.

Record 101: raw observation. Refined observation remains alongside the original evidence.

Record 102: raw observation. Refined observation remains alongside the original evidence.

Record 103: raw observation. Refined observation remains alongside the original evidence.

Record 104: raw observation. Refined observation remains alongside the original evidence.

Record 105: raw observation. Refined observation remains alongside the original evidence.

Record 106: raw observation. Refined observation remains alongside the original evidence.

Record 107: raw observation. Refined observation remains alongside the original evidence.

Record 108: raw observation. Refined observation remains alongside the original evidence.

Record 109: raw observation. Refined observation remains alongside the original evidence.

Record 110: raw observation. Refined observation remains alongside the original evidence.

Record 111: raw observation. Refined observation remains alongside the original evidence.

Record 112: raw observation. Refined observation remains alongside the original evidence.

Record 113: raw observation. Refined observation remains alongside the original evidence.

Record 114: raw observation. Refined observation remains alongside the original evidence.

Record 115: raw observation. Refined observation remains alongside the original evidence.

Record 116: raw observation. Refined observation remains alongside the original evidence.

Record 117: raw observation. Refined observation remains alongside the original evidence.

Record 118: raw observation. Refined observation remains alongside the original evidence.

Record 119: raw observation. Refined observation remains alongside the original evidence.

Record 120: raw observation. Refined observation remains alongside the

original evidence.

Record 121: raw observation. Refined observation remains alongside the original evidence.

Record 122: raw observation. Refined observation remains alongside the original evidence.

Record 123: raw observation. Refined observation remains alongside the original evidence.

Record 124: raw observation. Refined observation remains alongside the original evidence.

Record 125: raw observation. Refined observation remains alongside the original evidence.

Record 126: raw observation. Refined observation remains alongside the original evidence.

Record 127: raw observation. Refined observation remains alongside the original evidence.

Record 128: raw observation. Refined observation remains alongside the original evidence.

Record 129: raw observation. Refined observation remains alongside the original evidence.

Record 130: raw observation. Refined observation remains alongside the original evidence.

Record 131: raw observation. Refined observation remains alongside the original evidence.

Record 132: raw observation. Refined observation remains alongside the original evidence.

Record 133: raw observation. Refined observation remains alongside the original evidence.

Record 134: raw observation. Refined observation remains alongside the original evidence.

Record 135: raw observation. Refined observation remains alongside the original evidence.

Record 136: raw observation. Refined observation remains alongside the original evidence.

Record 137: raw observation. Refined observation remains alongside the original evidence.

Record 138: raw observation. Refined observation remains alongside the original evidence.

Record 139: raw observation. Refined observation remains alongside the original evidence.

Record 140: raw observation. Refined observation remains alongside the original evidence.

Record 141: raw observation. Refined observation remains alongside the original evidence.

Record 142: raw observation. Refined observation remains alongside the original evidence.

Record 143: raw observation. Refined observation remains alongside the original evidence.

Record 144: raw observation. Refined observation remains alongside the original evidence.

Record 145: raw observation. Refined observation remains alongside the original evidence.

Record 146: raw observation. Refined observation remains alongside the original evidence.

Record 147: raw observation. Refined observation remains alongside the

original evidence.

Record 148: raw observation. Refined observation remains alongside the original evidence.

Record 149: raw observation. Refined observation remains alongside the original evidence.
